<div class="body">
<div class="left">
    <p>
        Swimming is one of the best exercises that helps people to reduce
stress in this urban lifestyle. Swimming pools are found larger in number in
the hotels, weekend tourist spots and barely people have in their house
backyard. Beginners, especially often feel it difficult to breathe under
water and causes breathing trouble which in turn cause a drowning accident.
Worldwide, drowning produces a higher rate of mortality without causing
injury to children. Children under six of their age are found to be
suffering the highest drowning mortality rates worldwide..Such kinds of
deaths account for the third  cause of unplanned death  globally, with about
1.2  million cases yearly.

            </p>
